**MEMO ENDORSED**

Re: *Donald Beasley vs. Teletech Holdings, Inc., et al.*, No. 1:08-cv-00913-LTS  
and all related cases

Dear Judge Swain:

We represent lead plaintiff movant Electrical Workers Local #357 Pension and Health & Welfare Trusts ("Electrical Workers Local #357") in the above-referenced action.

On March 25, 2008, three investors filed motions seeking appointment as Lead Plaintiff and approval of their selection of Lead Counsel. On April 15, 2008, we opposed the two other motions that were filed, arguing that Electrical Workers Local #357 should be appointed Lead Plaintiff because it has the largest financial interest and satisfies the requirements of Federal Rule of Civil Procedure 23. One of the other movants advised us that it did not intend to oppose any of the filed motions, while the other movant formally withdrew its motion.

Although the Court had scheduled oral argument on the motions for Lead Plaintiff, we respectfully request that since our movant is unopposed, the lead plaintiff hearing scheduled for May 20, 2008 should be adjourned and the motions decided on the papers already submitted.

Respectfully submitted,

David A. Rosenfeld

cc: All counsel

The motions will  
be taken on  
submissions.  
Accordingly, the  
May 20, 2008 hearing  
is marked off the calendar.  
SO ORDERED.
